Dear friends

WEDDINGS

One of the best weddings I went to took place in a registry office. The bride and groom arrived on the local bus. After the ceremony the wedding party walked across the road to the rose garden in the local park for photos. Then they walked to the function room in the local pub, with catering from a local Indian restaurant. The bride wore a stylish dress which was not specifically a wedding dress so could be worn again on subsequent special occasions. Various guests supplied live music. Clearly this was not an expensive wedding and it was probably quite an environmentally-friendly one!

I sometimes meet people who say they are ready to get married but can't afford it.

But surely the important part of the wedding is the act of commitment to a loving relationship with loved ones there to celebrate. That doesn't have to involve huge expense and stress. So I think if a couple want a simple wedding they should not care about what people think!

One important aspect of a wedding for many people is that of consciously making vows in the presence of God.

The cost of a church wedding in All Saints Wouldham is currently £485 (including banns and certificate). This is a national fee which applies in all Church of England parish churches. There would also be a verger fee of £25, and if you wanted bells £60 for a full peal, flowers £65 (but you could do your own), organist if wanted £70, choir if wanted £65. So if you had all of those things it would come to £770. That compares very favourably with the registry office options. And then what happens after can be grand or simple according to taste.

A church wedding also involves some preparation for the important step of marriage which is either done with the local vicar, or sometimes by taking part in a course with other couples getting married in local churches.

If you want to discuss your wedding please do get in touch with me or with Catherine Gore (contact details opposite).

In peace, Mike

A Note from the Editor.....

This month, on centre pages, I've included information about 'what's going on in the villages' so that people might find activities locally that they'd enjoy and to meet people. I've been sent lots of information and I've added what I know but please send me your information about clubs and activities so that they can be included - space permitting.

JUMBLE TRAIL
15th JUNE, 10am-3pm**

Residents, in the 3 villages will be joining forces to sell 'once loved' items, hand made or home grown goods and refreshments from the comfort of their own home. It's a bootless bootsale or a yard sale with a difference!

All profits from the booking fees go to local good causes in the villages. The past two years have supported Eccles and Burham Pre-schools. The money you make on the day from your sales, you keep!

If you have bits to sell, live in one of the three villages and would like to take part either contact:

Gayle on 078144 22696 or book directly on this link <https://www.eventbrite.co.uk/e/eccles-burham-peters-villages-ebp-2019-jumble-trail-tickets-59125038582>

**CHARITIES of the month at
Burham Church (Methodist)**

In May the proceeds from our various activities were donated to **Alzheimer's**

Research. Each month all the proceeds from our regular activities are donated to a selected charity and usually about £100 is raised in this way. This month we are supporting **Action for Children.** Action for Children was originally 'The National Children's Homes' and has developed its work with children over the years and is now involved in supporting vulnerable and needy children and young people. They are celebrating their 150th anniversary this year and having special fund-raising activities, suggesting that different organisations hold events with a target of raising £150. Hopefully our fund-raising this month will enable us to donate this amount and ask you to give generously this month.

Wouldham All Saints Church of England Primary School

Welcome summer! June always sneaks up on us and arrives in a bit of a rush. One moment it seems like we're fighting through March and then all of a sudden its June! Our final term is about to start and what a busy one it will be. But before that, what have we been up to in May?

Term 5 was very short with a number of weeks having less than five days at school making it seem even shorter. Our themes saw lots of work on how plants grow as well as learning about different places in the world. Our visits included Hall Place Gardens, Bedgebury Pinetum, Winchester House, Chatham Synagogue as well as sports events and the usual Forest School, swimming and library.

Our eldest children took their SATs tests and are now preparing for their move to secondary school. Following a number of appeals we are really pleased that a third of our Year 6 children will be starting at grammar schools in September. Very well done to you all!

More good news – following a successful fund raising programme and with some very generous sponsors we have managed to secure the purchase of a new minibus to replace one that had to be retired earlier in the spring. An enormous thank you to all those that have worked so hard in fundraising and to those who have given so generously. We still have one old and battered vehicle that will also need replacing so please get in touch if you are able to help sponsor another!

Even more good news – we've managed to launch a walking bus which should help reduce car journeys to and from school. The idea of the walking bus is that a number of volunteers co-ordinate a walking trip from the rec to the school each day. This is free to use and means people can drop off at the rec rather than driving all the way to school. If successful it will hopefully expand and extend the route further.

So, on to June – we are thinking about careers with our junior children and about the seaside for our younger classes. This will involve finding out about times past as well as present and maybe even what things will be like in the future. Our older children may well be predicting what their futures look like and think about what they will need to do to get there. If you have an unusual job or a great story about how you got to where you are then please come and share it with the children.

We also have lots of sporting activity including trips to the trampolining centre 'Flip Out'. We also celebrate Pentecost and hope to experiment with holding worship outside from time to time! Let's hope the sun shines!

BURHAM PARISH COUNCIL NEWS JUNE 2019

Keep up to date with Parish Council business, visit:
Website: www.burhampc.kentparishes.gov.uk
Facebook page “Burham Parish Council”

Due to the uncontested elections, we have councillor vacancies available. If you are interested, or just want to know a little more, please give me a call or pop into the parish office (open Mon – Fri 10 am – 2 pm).

The lease (from Trenport) on the land between New Court Road and Court Rd has now been signed by Parish Council representatives and should be in effect by the time this goes to print, .

As of late April, we have a new Community Warden Vivien Hickmott, the contact number for her remains the same (07813694140). We welcome Viv to Burham and the surrounding villages and wish Debbie Foreman all the best for the future. If you see Viv around the village, I’m sure she would appreciate a “friendly hello”.

We are still communicating with the authorities (KCC Highways and TMBC) regarding matters such as Church Street gateway, change of speed limits at the end of Church Street (new Court Rd end) and road signs on the spur road between New Court Rd and Court Rd.

Please be reminded not to park in inappropriate areas such as double yellow lines, on corners, over dropped kerbs and at crossing points. We do appreciate that parking can be a problem in the village. However, inconsiderate parking does cause problems for many.

The Cardboard/paper bank generated funds of just £1000 in the last financial year. The uplift charges for exchanging the bank has increased and now we no longer receive payments from the company direct. We still however receive payments from KCC as recycling credits. Please use this facility (as well as all the other recycling banks) as much as possible and remember to break down any large boxes to enable more cardboard/paper to be recycled.

Please ensure that you log any criminal activity with the Police (on 101 or via their website).

We are still collating problems with the Arriva 155 day time bus service. If you experience any problems at all, please let me know including lateness, missed stops or any other related matters. *continued*

continued

If you have any items that you would like the Parish Council to discuss, just give me a call on 01634 685936, e-mail me on pam@burhampc.co.uk or come along to the monthly meetings, normally held the last Monday of the month. The next meeting is scheduled for Monday 24th June 2019, 7.30 pm The Parish Building, ROCHESTER ROAD, BURHAM. Pam Saunders – Clerk.

Join us on the Rec for
(or in the Old School Community Hall if wet)
The Royal Picnic
Monday 10th June , 7pm – 9pm

ALL welcome!

Bring along blankets, outdoor games, food and drink – Patriotic dress optional. Fairy cakes included

Psst...Look out for future events, including details of our fortnightly ramble, via our Facebook page If you would like to help out in anyway, or offer new ideas, or are just curious to see what we are about, please do drop by.

BURHAM UNITED CHARITIES

Burham United Charities are a local charitable organisation that provides assistance to those in need living within the old parish boundaries (i.e. Burham Village and parts of Blue Bell Hill).

Every year the Charity gives grants towards the Winter Fuel costs of retired villagers on restricted incomes.

They can also offer one off grants to help alleviate particular instances of hardship for any resident of the parish.

Parents of school age children may obtain help with some of the costs associated with schooling.

If you, or someone you know, is on a low income or has an exceptional need which is not provided for by Welfare Benefits, we may be able to help.

Contact: Dave Young (01634 867669) or Roger Kiralfy (01634 869900)

THE HENRY PETERS CHARITY

This charity was set up by Henry Peters in his will around 1912 to be distributed to the sick and poor of Wouldham by the Parish Council. The trustees have agreed that the payments could be used to fund residents getting to and from the doctors' surgery or hospital. To apply please contact the Council clerk on 01634 864319 or clerk@wouldhampc.co.uk.

REPORTING 155 BUS PROBLEMS ?

A number of residents who rely on buses have spoken to local councillors about late cancelled 155 buses.

The buses are a vital link for many people and especially those who do not drive. It is important if there is a poor or non-existent service, that it is reported. So a new system of reporting problems has been set up.

If you have problems please contact **Pam Saunders: 01634 685936 or pam@burhampc.co.uk** (Parish Clerk for Burham) or **Nicky Grimes: 01634 864319 or clerk@wouldhampc.co.uk** (Parish Clerk, Wouldham.)

They will require the date and time of the incident, the direction of the bus and brief details of the problem. This should be done as soon as possible after the incident and the details will then be passed to Kent County Council for follow up action.

Any poor service we suffer from now will take time to sort out and it is dependent on timely reporting of the problems as they occur.

June in your Garden

'Joy is sometimes hard to find – it hides away & life can blind.

But if you pause perhaps you will see the nature dance that lives within you.'

With the promise of high summer, June is a time to make the most of your garden & enjoy spending time in your own patch of nature. By now there should be plenty of colour, Roses, Peonies and Osteos are all looking glorious, mixed with strong healthy shrubs as backdrop meaning hopefully the gardens are at their best. By now the efforts put into soil improvement over the winter months will be paying off by holding moisture in the soil, which mean less watering required, and healthy plants will be encouraging a mix of bugs and wildlife into the garden. Its important to maintain a healthy balance between all things in the garden, and many bugs act as a food for other wildlife, or help with pollination, so its important to bear this in mind before reaching for chemical bug sprays etc. A good natural alternative for removal of aphids is a garlic spray, by crushing a few cloves of garlic & steeping in water before sieving and placing in a spray bottle – use it to spray the aphids and over the course of a few days there should be a noticeable improvement.

In the veg garden the harvests should be under way with early lettuce, peas, broad beans & radishes being ready. Now the weather is warmer, its easy to sow more seed directly into the ground, salad crops such as beetroot, spring onions, lettuce, radish & pea shoots are all ideal. Summer crops like Runner or French beans, cucumber, courgettes, sweetcorn & Squashes can be sown directly, or if you have sown seed previously the plants can now be planted out. If space is limited, most crops can be grown in pots, but its important to remember to water them every day & feed regularly too. Also Tomatoes and Chillies (pinch out the tops to encourage bushy growth) can be planted out, either in beds, pots or grow bags. Keep the tomatoes well watered and again feed regularly, remembering to pinch out side shoots as they develop. Once the chillies have started to flower, it's better to let them dry out a little between waterings' – stressing the plants encourages more heat in the fruit themselves.

Other things to be doing in the garden now:

Regularly mowing the lawn and trimming hedges will keep the gardens looking neat.

Keep pots well watered, they will dry out quickly in summer even after rain the foliage and flowers can prevent it reaching the soil.

Annuals and bedding can be planted up into baskets and borders for instant seasonal colour.

Start dead-heading plants as the flowers go over – it will encourage more blooms.

Winchester House Nursing Home, Wouldham

Website: www.barchester.com Tel: 01634 685001

Wow how quickly the months are passing us by, we are all getting Summer ready here at Winchester House.

First of all, I would like to thank Mrs Fitter and the Children from Wouldham All Saints Primary school for joining us in our 'Age of Creativity' Active Armchairs session, 1 hour of music, fun and dance. It was so much fun and very active. We love these visits so much and we are now looking forward to setting a date to visit the school and help the children create a beautiful garden area. Will let you know how this goes.

Also big plans for National Care Home open day on Friday the 28th June, we are having a 1940's Street party and inviting the Children to join us in the fun. Lots of nice things to eat and drink with music by Sue Caroline, who will be singing 1940's vintage style music. Posters will be up nearer the time and you are welcome to come and join the fun and visit our lovely home.

We have also recently been visited by some of the children from Holmesdale School, Snodland, who came and very kindly gave Easter Eggs to our residents. They enjoyed it so much they have asked to come back again. So in June we are starting a reading group with them and we are all so looking forward to welcoming them back.

We have had our first trip out on the Kingfisher boat, the weather was amazing unfortunately we did not see any Kingfishers but we were on the lookout. It was a lovely relaxing afternoon with lots of laughs. Thank you Dennis Worchester, who came along and helped. Always guaranteed a good laugh when Dennis is in your company.

We have had lots of things going on here and continue to be busy in the gardens and just looking forward to enjoying a lovely summer time.

That's all for now folks, so its goodbye for now from us all at Winchester House.
