CORONATION CELEBRATIONS

Although not as big as the Jubilee, Wouldham was again pleased to be able to offer a celebration for everyone in the Parish.

With a fully decorated Hall, older residents came together for a formal Afternoon Tea and games. As well as making new friends, taking part in quizzes, and eating homemade cakes, many laughs were had as people tried to throw 'sticky ears' onto a portrait of King Charles III! All those attending received a commemoration pen and spoon.

On Coronation Day, the Bells rang out in celebration with 2 new ringers who 'Rang for the King' and they will all receive a special certificate to mark the day.

Again, residents from Peters and Wouldham Village joined for a fun day of craft activities and games at the Children's Tea Party. Thanks go to Ashley and her 2nd Wouldham Brownies for helping others to create mini bird houses, union jack pin wheels and playing games. Every child attending received a spoon and a badge to commemorate the day.

Ashley Crowdey (Sparrow), Wouldham Girlguiding Leader says *'Thank you to all those who donated to Chester's Rabbit Rescue, we raised £13. The 5 girls that helped were awarded with the 'I've been fundraising' badge for all their efforts helping the Coronation Party. We can't wait to cuddle and learn about Chester's Rabbit Rescue on the last week of term. We look forward to joining and helping to volunteer at many more events to come in our community.'*

Special thanks go to the small band of volunteers who made these events happen, particularly; Anne Marr and Sarah Briggs (Village Hall Committee), Daphne Parris, Rosemary Bell, Cllr Eddy Bell and Cllr Tracey Yard. And to Wouldham Parish Council for providing the funding.

WOULDHAM PARISH COUNCIL

JUNE/JULY

**Keep up to date by visiting: www.wouldhampc.com
or via Facebook: Wouldham Parish Council**

Our last meeting was on the 16th May, 2023. This included the AGM. Reports etc will be published on our website. The Annual Parish Meeting was also held on this date reporting on proactive organisations in the parish

The next meeting will be on Tuesday the 6th June, 2023 in the Village Hall, commencing at 7:30pm. Agenda and details can be found on the website.

Elections

We are pleased to welcome 6 new members to the Parish Council. Tracey Yard, Paul Hopper, David Britchfield, Lin Simmonds, and Jane Miles join Eddy Bell and Andy Marr to represent the Parish (including Peters Village)

Roger Dalton and Dave Davis have been re-elected to the Borough Council and is joined by Alex McDermott as the boundaries have now changed to 'Aylesford North and North Downs Ward'

Roads/Footpaths/Grounds Maintenance

As a reminder, potholes etc can be reported directly to KCC through their website: <https://www.kent.gov.uk/roads-and-travel/what-we-look-after/roads/potholes>

Water leaks can also be reported to: www.southeastwater.co.uk

Coronation of King Charles III

The Parish Council, Village Hall Charity and volunteers were pleased to deliver 2 successful events for the village. The Afternoon Tea for adults and Children's Party was a good chance for locals to get together and have fun.

No-Entry Experiment - High Street

The KCC road change will have started by now. Every household in the village will have received documentation and there is a web-site to have your say as to how it is working. This scheme is due to run for 6 months and can be extended up to 18 months to see if it works.

And Finally...

Wouldham Girlguiding

I decided my Rainbow and Brownie units could help clean the Village for The Big Help Out Challenge. They both were very enthusiastic at trying to grab every piece they came across.

My Rainbows even managed to survive the English rainy weather and were still all smiling.

I have always wanted to become a leader ever since my Brown Owl at Upchurch Guides took our Guide unit on our first County pack holiday. I got to have so many exciting adventures and I then decided I wanted to keep making more fun memories with the girls.

I love the way guiding gives young people a space to be themselves and discover new things. The biggest thing it has done for me is increased my confidence. And I now have a great Guiding family.

WOULDHAM PARISH HISTORY

The year was 43 AD and the Medway River was much busier than usual. The tranquillity of the Kentish countryside was being trampled away by the sandals of 40,000 Roman Legionaries under the command of Aulus Plautius and General Vespasian, future Roman Emperor. He had been given orders to conquer the land Britannia by the current Emperor Claudius.

Long before the days of Peters Village and cheeky Snodlanders using the fancy bridge to cross the Medway, the area of Wouldham was strategically important due to the ability to cross the Medway at low tide.

On the Snodland side of the river, the British Catuvellauni tribe, commanded by Caratacus were encamped with their many horse-drawn chariots. Vespasian used this point of the Medway to his advantage, sending specialist Celtic troops, known as Batavians, capable of crossing in heavy armour to cut the hamstrings of the British horses. The scene must have been terrible, but the damage was done. With Caratacus's forces diminished, Roman victory was assured and the British fell back. Although it would be several more years before Roman conquest was complete, this battle was undoubtedly a defining moment in our history and it's incredible that we walk on land steeped in such momentous events. To commemorate this battle a stone was erected on the Burham side of the river, which can be viewed by following the walk behind St

Mary's Church.

June in Your Garden

‘Each fairy breath of summer, as it blows with loveliness, inspires the blushing rose.’

With the promise of high summer, June is a time to make the most of your garden & enjoy spending time in your own patch of nature. By now there should be plenty of colour, Roses, Peonies and Osteos are all looking glorious, mixed with strong healthy shrubs as a backdrop meaning hopefully the gardens are at their best. Early efforts put into weeding and mulching during spring will be paying off by helping to reduce competition and holding moisture in the soil, which mean less watering required, and healthy plants will be encouraging a mix of bugs and wildlife into the garden. It’s important to maintain a healthy balance between all things in the garden, and many bugs act as a food for other wildlife, or help with pollination, so bear this in mind before reaching for chemical bug sprays etc. A good natural alternative for removal of aphids is a garlic spray, by crushing a few cloves of garlic & steeping in water before sieving and placing in a spray bottle – use it to spray the aphids and over the course of a few days there should be a noticeable improvement.

If you have been taking an interest in Chelsea Flower Show, then you will be aware of the drive towards sustainability in gardening. In practical terms for gardeners, this means a move towards soil improvement to encourage strong healthy plants. This is also helped by choosing the right plants for the right place – so take time to learn about your soil as well as the aspect of your garden (does it face North or South for instance, which are the sunny or shady areas?) – in our local area we are lucky that the soil is a chalky loam which means it is relatively neutral and will support most plants. Adding compost, either home made or shop brought, will undoubtedly help to improve your soil by adding back nutrients that get washed away during winter, but by adding an additional balanced slow release natural fertiliser such as blood, fish & bone it will keep nutrients topped up through the season. It can be easily sprinkled onto borders, into pots and around the veg garden as well.

In the veg garden the harvests should now be under way with early lettuce, peas, broad beans & radishes being ready. Now the weather is warmer, it's easy to sow more seed directly into the ground, salad crops such as beetroot, spring onions, lettuce, radish & pea shoots are all ideal. Summer crops like Runner or French beans, cucumber, courgettes, sweetcorn & Squashes can be sown directly, or if you have sown seed previously the plants can now be planted out. If space is

limited, most crops can be grown in pots, but it's important to remember to water them every day & feed regularly too. Also Tomatoes and Chillies (pinch out the tops to encourage bushy growth) can be planted out, either in beds, pots or grow bags. Keep the tomatoes well watered and again feed regularly, remembering to pinch out side shoots as they develop. Once the chillies have started to flower, it's better to let them dry out a little between waterings' – stressing the plants encourages more heat in the fruit themselves.

Other things to be doing in the garden now:

- If you observed 'No-Mow-May' then now is the time to restart the regular mowing regime.

- Start dead-heading summer blooms especially in baskets and pots to keep promoting more flowers.

- Support taller plants – inserting stakes, canes or supports early will make this easier.

- Water vigilantly – pots and baskets will dry out quickly in warm weather so need watering every day to ensure they don't dry out.

- Keep bird feeders topped up as birds will be busy nesting at this time, and make sure there is fresh water in the bird bath too.

Lemon Madeleines

(Makes 12)

Madeleines are a classic French, small sponge cakes made using a génoise style batter. They traditionally have a distinctive shell-like shape.

Ingredients

- ◆ 100g plain flour
- ◆ 100g caster sugar
- ◆ 2 eggs
- ◆ 1 lemon (zest and juice)
- ◆ $\frac{3}{4}$ tsp baking powder
- ◆ Icing sugar for dusting

Method

1. Whisk together the eggs and sugar until light and fluffy.
2. Gently fold in the rest of the ingredients and rest in the fridge for 20 mins.
3. Preheat oven 180c, 160c fan, gas mark 4
4. Pour rested mixture evenly into non-stick madeleine tray (could use a muffin tray)
5. Bake 8 to 10 mins or until risen a little in the middle and cooked through
6. Allow to cool slightly before turning out and dusting with the icing sugar.

Enjoy still warm, with a coffee outside on a sunny day.
