WPC have historically made many representations about this application. Cllr Fitzwater would like the Chief Planning Officer to come and address WPC as to why none of our previous concerns have been addressed. It was discussed that Planning make an appointment to come and view the application so all evidence can be covered up. BCllr Dalton asks us to send him our list of questions and concerns and he will raise it with the planning department. He suggests that we put it on the agenda of the next PPP meeting which is Sept. 8th. Cllr Fitzwater to liaise with clerk with further questions. Listing the Old School with TMBC. Check with Mr Thompson, explain that it is not a Grade listing and get forms for listing from TMBC. Check allotments are on the list and if not put them on.</p>	<p>Clerk 3 letters Clerk Clerk</p>

<p>8.</p>	<p>MEMBERS OF PUBLIC Peter Finch. Speed of traffic through village. He states that few do 30mph so why would they do 20mph, thinks we need speed bumps and that the extra DYL planned to assist buses will only increase speeds. Cllr Head explains that we are addressing it, there are no accidents reported in Wouldham on the KCC crash map which is what they use to decide on funding, she reiterates that all crimes and accidents should be reported so that they can become statistics. Mr Finch asks if someone has to be killed first. Discussion on mini roundabout at the bottom of School Lane. Victor Allan is concerned about the Post Office, he does not think it will reopen. He asks why there isn't there a PO like there used to be open 5 and half days a week. A lot of older people need the PO, it is supposed to be a public service. Cllr Head explains that any existing PO can change their hours but a new PO has to open the same hours as the business it is in. Cllr Fulwell has spoken to Jay who says the volume of business is the problem. Cllr Parris says Jay does not want a PO. Clerk in touch with PO Counters and will report as soon as they let her know what is happening. Write to Trenport requesting a PO in Peters Village</p>	<p>Clerk</p>

A retired builder is to do the costings.</p> <p>Cllr Head states that the VH Committee have adopted a new foundation constitution which is designed for charities whose only voting members are charitable trustees. 	<p>done and he asks why Cllr Head is so vociferous in her condemnation of the committee.</p> <p>It is agreed that the Wouldham Project began after the first bid when Cllr Fulwell agreed to take on the next bid and formed a fundraising committee.</p> <p>Cllr Goode thinks rejection letter is enough to know what we need to do. Cllr Fitzwater does not think we can satisfy the requirements of a new bid. We need to compare rejection letter with the bid. He does not think we would get a lottery bid, wasting time and money. Costings need to be done by Chartered Surveyor not a builder. He thinks there is so much bad feeling there is no chance of satisfying the bid.</p>
