5.1	Borough Councillor: Nothing to report	
5.2	County Councillor: Not received – no questions raised.	
5.3	Community Warden : Cllr Bell noted the report received from Simon White, the Community Warden.	
	"I have been continuing to engage with local residents in recent weeks, making contacts through visits	
	to local groups within the village. I have also been supporting a local elderly resident with issues	
	around ASB and isolation. This resident is now attending a local group and benefiting from the social	
	interaction. Other potential issues moving forward could be an increase in ASB with the lighter	
	evenings and a possible need for food parcels as the cost of living begins to affect more people. I shall	
	continue to build new connections and have regular contact with the Parish Clerk".	
	Email: Simon.White@kent.gov.uk Tele: 07813694140.	
	Cllr Buchanan suggested that the Warden should be using that the Household Support Fund which	
	should be available through TMBC. Clerk noted that Warden is part of KCC and can support residents

9.4	OTHER PLANNING MATTERS:	I
	Cllr Bell noted that the appeal to build a house on land adjacent to 204 High Street had been upheld. BCllr	
	Dalton noted that he believed there was a sewer running through the car park which was a reason for past	
	refusals.	
	Medway Green School building. This has been reported to enforcement and we have been advised that it	
	could be allowed under the provisions of Class M of Part 7 of Schedule 2 of The Town and Country Planning	
	(General Permitted Development) (England) Order 2015 which permits the erection, extension or alteration of	
	a school, college, university or hospital building subject to works meeting certain requirements and conditions.	
	Cllr Bell feels that it does not conform to the conditions, but no confirmation of whether it is allowable has	
	been received. BCllr Dalton will follow up Planning. Clerk will send details.	RD
	Cllr Bell advised that the proposed development in Eccles has changed its name again. It has now gone from	CLERK
	Bushey Wood to Land at Eccles is now being called Priory View.	
10.	ROADS, FOOTPATHS & LIGHTING -	
	Updates:	
10.1	Cllr Bell noted that there are still major parking issues around All Saints School, he asked that Cllr Baker request	
	an updated on the school travel plan, as the Parish Council Governor rep. This will enable us to look at possible	AB
	solutions to the problem. BCllr Dalton asked if the school is oversubscribed. He thought there was provision to	
	extend planning to allowed for a 3-class intake. Cllr Baker explained that only some year groups were	
	oversubscribed but not the whole school. Cllr Buchanan noted that she had been told there were no plans to	
	extend and all areas can be accepted. MOP explained that a child travelling from distance child will have to	
	fulfil a specific criterion to enable them to attend. Cllr Bell noted that at the last meeting with the School, the	
	Head had expected the school to expand from 400 to 700 students.	
10.2	Salt bins: Cllr Baker proposed to purchase 3 standard salt bins for PV, seconded by Cllr McDermott ALL	
	AGREED. Clerk to purchase 3 standard bins for delivery to Cllr Baker, he will then arrange for a salt delivery	CLERK AB
	from TMBC.	
10.3	Medway Green School Issues Cllr Bell advised that the parking problems continue and is concerned with the	
	expansion of the school they will getting worse. He believed that, due to pupil needs, 2 teachers are required	
	per child. We have been advised by the Head that numbers are likely to rise to 70'ish. MOP advised that there	
	would only be 56 children attending and that the staff ration would be 7:4. She had also been told that the PC	
	had objected to both a car park and parking on the 'triangle'. Cllr Bell advised that this was not the case. He	
	also felt that the school should have let it be known what they are doing, it appears that the school does not	
	want to interact with the Village. There have been no communications to Oldfield Drive residents or the Parish	
	Council. Cllr Bell asked where do the students come from? MOP advised that they can come from anywhere as	
	they specialise in Social, Emotional and Mental Health (SEMH). The new class room is to be able to provide	
	more life skills training. BCllr Dalton suggested a liaison group/person meet with the school to find out what is	
	going on.	,
	Clerk noted that the bollards have now been installed outside the school and the grass been re-laid. MOP noted	
	that a taxi had already driven over the new grass and the Head had put out cones to stop further abuse.	
	Resolution to agree One-Way experiment start date: Cllr Bell prosed to accept start date of 30/5 for works to	
	begin on the experiment, Seconded by Cllr McDermott. ALL AGREED.	
11.	<u>OPEN SPACES</u>	
11.1	Recreation Ground.	
	Cllr Bell advised that a sign to go on the height barrier would cost £50-60 plus fitting, so would be around £100.	EB
	Proposed to go ahead with the purchase and call it Wouldham Parish Car park. Seconded by Cllr McDermott.	
	ALL AGREED.	01501
11.2	Thanks was also given to the resident who has donated 2 oak trees to plant in the rec. This will be done shortly.	CLERK
11.3	Letter re ground changes. Cllr Bell noted that a draft sent around but 1 Cllr thought it should be stronger. Cllrs	
	Baker and McDermott also felt it could be firmer as the owner seems to think he can do whatever he wants. All	ALL
