Dear Nicky

Further to my letter to Kent County Council (KCC) on behalf of the Parish Council, please find enclosed a copy of the response I have now received.

Having read through the response, KCC set out the work they are undertaking to address the traffic issues in Wouldham. However, I appreciate that KCC do not provide a clear response to the specific query you raised regarding any request made by them to central Government in respect of a bypass. I have therefore written again to KCC asking for them to address the specific query and I will of course write to you again as soon as I receive their response.

Please do let me know if I can be of any further assistance to you in the meantime.

Yours sincerely

REPORT TO WOULDHAM PARISH COUNCIL 3rd SEPTEMBER 2019

By the Tonbridge and Malling Borough Councillors

for

Burham and Wouldham Ward

Councillors Dave Davis and Roger Dalton

INFORMAL MEETING - 28TH AUGUST 2019

1. We are most grateful for the meeting we had last Wednesday and hope it can be used to get a greater degree of understanding and team working so we can all support Wouldham better.
2. We would welcome further meetings where we can concentrate on the sort of problems we dealt with on Wednesday or a single issue such as the High Street. We would caution against meetings for the sake of them.

BUS ISSUES

3. **155 Meeting 5TH July.** This meeting was attended by Roger Dalton, Dave Davis, Eddie Bell and Adam Baker.
4. **Subsequent Work.** The East Bank bus programme is being revised as a result of a Peters Village S106 Condition. The matters are very complex and have been studied in great detail by Peter Homewood and the team that attended the meeting in July. We consider it best for Eddie to explain where we are at the meeting and he will lead on this on Tuesday night.
